CHIEF'S REPORT

- Storage units have been received and the bays will be emptied out so that the floors can be epoxied.
- Handheld radios are scheduled for programming next week.
- We will schedule a gear fitting for the remaining six sets of turnout gear
- The truck committee has been meeting and hope to be able to put out specs soon
- Hose has been received and will be entered into inventory. It will remain at Daniels way until the floor is done at main base.
- Helmet and shield were ordered for Ex-Chief Murray. Chief shield ordered and proper Lieutenant Shield was ordered.
- Radio holsters and straps will be ordered from GB shields for new APX 800 Motorola radios. Waiting on a price

- Pyrocap has been received and can now be placed on each truck.
- Computers in Line office are running poorly and apparently are out of subscription for updates and virus protection.
- Blowhard fan due in this week

Per NJ Fire Equipment, when they were testing the air packs they noticed that the holders on '90 were cutting wires and hoses. They need to be replaced, Chief Beaton will look into new holders the meet the NFP requirements.

Chief Beaton asked to purchase new radio holder and strap for \$130. Board Approved.
