MAINTENANCE

16-2-67-Shifter cable replacement at Earhart Automotive

16-2-75,76,77-PM services are still in progress, supplies were delivered to Pond Road. When completed, Issues found during service will need to be addressed. As of now, 75 will need a couple of issues addressed including the A/C system.

Several lights were repaired on 75,76 and 77

75 will need a new interior red light fixture, not repairable.

16-2-77-Mounting of NY Hooks on the back of the cab is in progress.

16-2-78-Rattle in the cab will need to be addressed at Campbell Supply. Interior parts will need to be removed to access the area. Will be combined with its annual PM service. Will be looking to schedule after 90 returns from Blaze and Kens Auto Body.

19-2-90-Blaze has acquired all parts needed to do repairs found in the UL report. They will also mount the battery fan while the truck is in the shop.

Kens Auto Body believes they can take the truck for bodywork as soon as it returns from Blaze

Truck radios (keying up)

77 and 76 both need new power cables for the Firecom systems. Waiting for the estimate.

90 Firecom was disconnected but still has an issue with the radio keying up. Asked 67 to call and have a tech come out.

Working on mounting battery-operated fans, and other new equipment for trucks.

Saws from 90 and 85 were repaired by Green Blade

NEW TRUCK
